

Register manufacturing sites you wish to sell with the Chamber of Commerce.

It is useless to advertise for industries unless Richmond can offer suitable sites.

Referring to President E. G. Leigh's report, it can be said that, with her natural facilities for manufacturing, Richmond should be among the leading cities of the United States in manufacturing importance,

But Richmond must have Manufacturing Sites to accomplish that object.

The Chamber has a list of every article manufactured by competing cities, not manufactured in Richmond. This affords a valuable guide to people who wish to go into manufacturing.

# Richmond Must Have Manufacturing Sites

## Report of President E. G. Leigh, Jr., of Richmond Chamber of Commerce, SAYS IN PART:

That a competing city for business in this territory is accredited by the Twelfth Census of the United States with having more than twice as many manufacturing schedules as does Richmond, each schedule representing a number of establishments.

Richmond has the opportunity to meet competition, but needs manufacturing sites.

When the Chamber of Commerce has manufacturing sites to offer the means will be found to bring manufacturers here to occupy them.

Property owners and real estate agents, who have manufacturing sites to dispose of, are urged to communicate immediately with the Chamber of Commerce and give necessary information regarding such property, including the lowest prices.

Register manufacturing sites you wish to sell with the Chamber of Commerce.

## Richmond possesses

Natural advantages as a manufacturing center that are undeveloped because of lack of manufacturing sites.

Richmond is close to coal fields.

Richmond owns natural water power facilities.

Richmond is the gateway to the South.

To develop these natural advantages it is necessary to provide manufacturing sites.

A magnificent opportunity exists here to develop the unoccupied portion of this field.

Richmond must meet the issue.

## ANNIVERSARY OF RICHMOND Y. M. C. A.

Great Outpouring of People Attend Meeting at the First Baptist Church.

## NEW BUILDING IS COMING

Full Reports of Officers and Able Addresses by Distinguished Visitors.

The anniversary service of the Young Men's Christian Association was held Sunday night at the First Baptist Church and the spacious edifice was filled to overflowing with a deeply interested congregation. Mr. O. A. Hawkins, president, of the association, presided. The music was furnished by the choir of the church, Captain Frank Cunningham, the Boy's Bible Study Quintette and Master Louis Phelps. The lengthy programme was commingled with devotional exercises. The annual report of the association had been prepared and was read by the president. The report opens with an expression of gratitude for the continued success of the work, for the increasing interest evidenced by some of the Christian business men, for the earnest and helpful influence that has come to us from the pastors of the city, and for the larger and growing response from young men and boys to the efforts of the organization, in their behalf.

The report calls attention to the fact that the organization of the first Y. M. C. A. in the world was less than fifty years ago, and today there are 7,376 associations, of which 1,726 are in this country. Summing up the work in this city, the report says: "In addition to the Central Association with its 124 members, we have a Railroad Department, with 45 members; the University College of Medicine Department, with 45 members; the Medical College of Virginia Department, with 21 members; combined, numbering 208 members; also the Richmond College Association, with 42 members; the Central Young Men's Christian Association, with 201 members; the Passenger and Lower Company Association, with 122 members. In the State of Virginia there are 53 associations, with total membership of 3,221."

Reduced to Figures.

The president gave the figures showing the number of meetings of various kinds held during the year, the educational work done, the social work, the physical work, the general meetings, etc., all of which show that the association has accomplished the most wonderful results during the past year ever known in its history, and yet the president adds: "These figures do not begin to tell all of the story. No record is, or can be made, of the numerous calls on the secretary by young men, and sometimes old ones, for advice and comfort along spiritual lines, as well as many who come to him because of burdensome cares, deep distress or discouragement along other lines; for such he must always have a willing ear. Nor can any tally measure the value of personal work put into the lives of boys. The Boy's Study Club, with an enrolled membership of 87, has accomplished a great work during the year. Speaking of the work of his associates, the president says: 'The work of our

office force during the past year has been arduous indeed. The General Secretary, Mr. S. K. McKee; the Assistants, Messrs. H. M. Blair, A. G. Fisher and D. L. Buchanan, and the Physical Director, Mr. C. W. Hardy, and his team, met with the work, have had hard and exacting duties to perform.

The report closes as follows: "And now, with an abiding faith in the wisdom and goodness of God, and that in His own good time He will put it into the hearts of those possessed of means, to supply the real needs of this organization, I commend us to the keeping of Him who is able and willing to save to the uttermost."

**The Finances.**

In the absence of the treasurer, the financial statement was read by Mr. P. T. Sutton, chairman of the Finance Committee. It shows the total receipts from all sources during the year to have been \$5,216.85, and the total expenses \$4,381.04. The expenditures were divided as follows:

Executive Department, \$6,187.84; Building Department, \$2,456.73; Physical Department, \$2,633.52; Educational Department, \$1,641.78; Religious Department, \$1,654.77; Social Department, \$448.70.	
Unpaid portion of Building Department, \$1,000.00	
Mortgage, \$1,000.00	\$8,000.00
Ills payable, \$1,000.00	
Current Expense Fund, \$31.81	
Jubilee Fund, \$434.01	
Endowment Fund, \$2.61	
	\$1,308.46
Not Indebtedness, \$6,691.54	

## A New Building.

Mr. W. D. Duke, chairman, submitted the report of the committee on the new building. He said that the committee had secured the necessary details and are all settled on a plan of construction. The new building is coming surely, and as soon as the necessary details are all settled on a plan of construction, the committee will be in a position to submit a report to the association.

"Like many similar organizations in other cities, we have outgrown our facilities. The building is so crowded that we cannot hope to further develop the work or reach a larger number of young men and boys, while occupying it. A visit to the building during the busy hours of the day will convince the most skeptical of the urgent need of enlargement."

Some months ago, one of our young men, feeling the need of enlargement, secured from a friend an offer of \$1,500, provided the association would raise an equal amount, with which to improve the present facilities. This offer was afterwards increased to \$30,000, on condition that a total expenditure of \$30,000 should be made.

**"Absolutely Necessary."**

"After most earnest investigation and prayerful consideration, those directly charged with the conduct of the work,

have decided it is absolutely necessary to provide a larger building, with modern equipment, in a central location. The site selected is the northwest corner of Grace and Seventh Streets, fronting 333 feet on Grace, and running back 170 feet on Seventh Street. A portion of this property has been bought by a philanthropic friend, who is holding it for the association. Four of our citizens have volunteered contributions aggregating \$27,000 (two of \$10,000 each, one of \$5,000 and one of \$2,000), and the young men of the association have pledged themselves to raise \$10,000. It is estimated that such a building as will be needed, will cost, including real estate, at least \$170,000, so that we will need, in addition to the subscriptions and the value of our present property (which is placed at \$30,000), at least \$140,000. Like all philanthropic and benevolent organizations, we are dependent upon the liberality of our friends, and we appeal to our good citizens to help in this noble and God-given work.

**Faith in Richmond People.**

"We have faith enough to believe that a thousand of our friends will come to our aid in this great opportunity, and by contributions ranging from \$10 to \$100,000, make up the amount needed."

Recent buildings in cities of about the size of Richmond have cost from \$100,000 to \$300,000, and Richmond, farmed for its God-fearing men and women, deserve a Young Men's Christian Association which will be not only an honor and ornament to the city, but ample enough to accommodate a growing work for many years. May God grant that the plan may be opened for the accomplishment of this result."

The first address of the evening was delivered by Rev. H. L. Willett, dean of the School of Divinity, Chicago University.

Commander A. V. Wadhams, of the United States Navy, won everybody's heart with his first word.

## ENJOYED THE CONCERT.

Children and Accomplished Soloist Delight Audience.

The performance given by the children's chorus in the Academy of Music last evening for the benefit of the Church of the Covenant building fund, was an event of interest in the musical and social world.

After the brilliant vocal number by the orchestra, Miss Mary Shelton took her place at the piano and as accompanist, and the children sang "America," with great enthusiasm, and followed that by giving Panning's "Song of the Vikings," with fine effect and amidst hearty applause.

The appearance of the children, in their white dresses and pretty, fluttering ribbon, seated in rows reaching backward from the stage to the ceiling, the pyramidal effect produced an excellent scenic impression.

The soloist of the evening was Mr. John Powell, who played exquisitely a Hungarian fantasia, by Liszt, with Miss Myrtle Bedford as accompanist, and left the stage amid a storm of applause.

Mr. Douglas Gordon, who sang remarkably well, accompanied by Miss Louis C. Wetzel; Mrs. Mercer, who brought the house down in "Wynken Blyken and Nod," by Noyen, and Miss Mamie Harrison, whose beautiful soprano was heard in Ziemer's "Nymphs and Fauns," with Mr. Shepherd-Webb as accompanist.

The training of the children's chorus was excellent and the greatest praise is due Mr. Mercer for the manner in which he has instructed the little people. That program of last evening was an exceptionally fine one.

**'Squire Hannan Out.**

'Squire James Hannan, one of the attaches of the City Hall, is out for election to the office of Justice of the Peace from Monroe Ward. He has held this position before, and goes before the people with experience behind him.

**Mr. Peyton in the Race.**

Mr. Robert B. Peyton, Jr., a well known young member of the Richmond bar, and for a year or two a member of the Democratic City Committee, has announced his candidacy for the House of Delegates, subject to the Democratic primary.

## A REMARKABLE DROWNING CASE

Young Men Go Down in Sound Boat on Still Pond.

## NEITHER RISE TO SURFACE

Young Lady With Them Is Rescued by Man From Shore.

(Special to The Times-Dispatch.)

DURHAM, N. C., May 22.—Earl Faucett and Lucy Hughes, of Eden Grove, were drowned in the pond at Haw's Mill, on Eden River, yesterday afternoon.

A party of young people were at Haw's Pond enjoying the afternoon, when Messrs. Faucett and Hughes, accompanied by Miss Eloise Brown, got into a boat and were quietly rowing, when all of a sudden the boat and occupants went down, and no one has yet been able to ascertain the cause of such a sudden capsizing. The boat was in good condition and in a still pond.

Sisters to Miss Brown and Mr. Faucett, gave the alarm, and Mr. Cates, a member of the party, immediately jumped in to rescue Miss Brown, who was by this time floating on the water. Before Mr. Cates had gotten to the bank with her she began to pull him under the water. It appeared then that both would drown, but they were near enough to the bank for a pole to be thrown out to them. Mr. Cates seized the pole and both were drawn ashore.

In the meantime the party on shore were expecting Messrs. Faucett and Hughes to come to the top and swim ashore, since they were both expert swimmers.

The mysterious part of it is that they were never seen after they first sunk until they were taken out dead.

Mr. Lucy Hughes was twenty-seven years of age. He was an exemplary young man and a successful merchant, being the owner of two stores. Mr. Earl Faucett was nineteen years old, and had recently been a student at the Agricultural and Mechanical College at Raleigh.

## SALEM COLLEGE.

The Class Presents College With Granite Memorial Steps.

(Special to The Times-Dispatch.)

WINSTON-SALEM, N. C., May 22.—The grand concert to-night was one of the many pleasing features of the one hundred and third annual commencement exercises of the Salem Female College.

This morning the senior class, in the presence of a large audience, formally presented beautiful granite memorial steps to the college, the same being accepted by Bishop Randolph, of the Methodist Church. A class tree, a white oak, was also planted, and the programme was concluded with the class yell.

At a business meeting of the Alumni Association, this afternoon, many resolutions of memorials were made by

friends of the institution. Announcement was made that the association's \$30,000 memorial hall would be completed in time for the next commencement.

To-morrow will be commencement day proper. The address will be delivered by Senator A. M. Scales, of Greensboro.

**A GENEROUS FOE.**

Twenty Conversions at Weldon. Miss Lyons Sings.

(Special to The Times-Dispatch.)

WELDON, N. C., May 22.—Mr. George Harrison, who is in the hospital at Rocky Mount, on account of being shot at Trega, Va., by young A. S. Hudson Friday night, is not seriously wounded, and says he has no ill-will towards young Hudson, and will apologize as soon as he gets out.

Rev. H. A. Humber closed a meeting at the Methodist Episcopal Church Sunday night, after it had been in progress for three weeks. Twenty conversions are reported.

At the evening service Sunday Miss Nellie Lyons, of Richmond, rendered a beautiful offertory solo, "There is a Green Field Far Away."

## LIFE INSURANCE.

## FIELD DAY SPORTS AT THE UNIVERSITY

Two Records Were Broken and Still Another Was Equalled.

(Special to The Times-Dispatch.)

CHARLOTTESVILLE, VA., May 22.—The annual field day sports of the University of Virginia to-day were witnessed by a small crowd. Because of the nearness of examinations several of the best athletes in college failed to compete, but despite this fact, two Virginia records were broken and a third equalled.

In the high hurdles, Randolph made the excellent time of 15.4 seconds, while in the low hurdles he equaled the former Virginia record of 27.2 seconds. Smith established a new State record in the 220 yard dash by going the distance in 22.3 seconds.

In the half mile McNaghy had no opposition, but was only two seconds behind the time he made in the Virginia-Carolina meet a fortnight ago, when he smashed the Southern intercollegiate record. In the quarter mile, Shelton was paced by Burke, but could not approach his former time of 61.1 seconds.

In the pole vault Taylor did not attempt to excel his recent leap of 10 feet 7 inches; interest centered in second place, which decided the all round championship. This was won by Archie C. Randolph, of Millwood, Clarke county, who made a total of eighteen points. Council, the foot-ball star, was second, with points to his credit. Summary:

One hundred yard dash—Bass, first; Smith, second; Springer, third. Time, 10.2 seconds.

Shot put—Council, first; Murphy, second; Springer, third. Distance, 35 feet 8 inches.

One hundred and twenty yard hurdles—Randolph, first; Holladay, second; Russell, third. Time, 15.2 seconds.

Two hundred and twenty yard dash—Smith, first; Rowley, second; Shelton, third. Time, 22.1 seconds.

Hammer throw—Council, first; Springer, second; Russell, third. Distance, 106 feet 7 inches.

Two hundred and eighty yard hurdles—Randolph, first; Boogher, second; Holladay, third. Time, 27.2 seconds.

Four hundred and forty yard dash—Shelton, first; Burke, second. Time, 57.1 seconds.

High jump—Randolph and Holladay tied for first place; Russell, third. Height, 5 feet 6 inches.

Eight hundred and eighty yard run—McNaghy, first. Time, 2 minutes 7.2 seconds.

One mile—Run—Burke, first; Belne, second. Time, 4 minutes 5.8 seconds.

Pole vault—Taylor, first; Randolph, second; Council, third. Height, 9 feet 9 inches.

Discus—Council, first; Springer, second. Distance, 125 feet 6 inches.

Official starter, C. R. Williams; timers, Dr. William A. Lambeth, John Hume and G. Tomlinson; judges of finish, Cracraft, Pollard, Carter, Hall and William McC. James; scorer, Leo Hawkins; announcer, A. W. Tucker; judges of field events, Dr. Christian, W. O. Spates.
